Montgomery</u></p> <p align="center">John W. Montgomery</p>

AMENDMENT

This is in response to the office action mailed December 14, 1999 in which Claims 1-4, 9, and 11-14 were rejected and objections were raised to Claims 5-8, 10, and 15 were objected to. This response is being filed with a Request for an Extension of Time to file within three months of the shortened statutory period of time and a check covering the required fee.

IN THE CLAIMS:

Kindly cancel Claims 2-4, 9 and 11-13, without prejudice. Kindly rewrite Claims 1, 5, 10, 14 and 15 as follows:

1. (AMENDED) An endodontic cutting instrument comprising:

(a) a cutting portion, including a non-standard taper angle, [which non-standard] comprising a compound curve taper [extends] extending along a predetermined length of a distal cutting portion thereof, and including a standard taper angle, [which] said standard taper angle [extends] extending along the remaining cutting portion to a standard size shank thereof, said non-
